

Kit Responsibility and Care Guide.

Farcet United football club, welcome you and your budding young footballer to the club. With all of our junior teams we supply the kit for all League Registered Players, either direct from Club funds or team sponsorship. Individual teams may provide other items such as tracksuits, raincoats, etc., via sponsorship. There is **no charge** for these items unless they are lost or damaged. If you lose or damage any item of kit you must inform your Team Manager immediately. A replacement item will be ordered and you will be expected to pay for the replacement.

Please read the following conditions of use and sign to accept the Club rule concerning kit loaned to players.

1. The Club football playing kit (and any other items of clothing) will remain the property of the Club.
2. I understand that the Club football kit (and any other items of clothing) is on loan to my child.
3. The Club football playing kit must **not** be worn during training sessions or any personal use (i.e. playing out at home) as they may become damaged. The football playing kit must be worn to all official Club matches.
4. As the parent/guardian signing this letter I undertake full responsibility for the laundering of the Club football playing kit and any other items loaned to my child.
5. The Club football playing kit (and any other items) must be carefully looked after. I understand that if any of the items becomes damaged due to misuse then I may be billed for the cost of a replacement.
6. Similarly, if the Club football kit is lost due to carelessness then I may also be billed for a replacement.
7. The Club/Team reserves the right to recall the Club football playing kits at any time.
8. If my child fails to turn up for training on 3 consecutive occasions without informing the Team Manager, it will be construed that the player has left the Club and the Club football playing kit (and any other items of clothing) must be returned. I understand that I may be billed for a replacement if any of the items are not returned.
9. If my child decides that they wish to leave the Club then the Club football playing kit (and any other items of clothing) must be returned immediately, otherwise I may be billed for a replacement.
10. The Club will not de-register any player to enable them to join another Junior or Youth Football Club, until all items of Club kit are returned.

Please note that League squad players must wear full and correct Club match kit (Club match shirt, shorts and socks) for all matches representing Farcet United FC. Players wearing any item of incorrect match kit may be excluded from the match.
